Message from the Head

Dear Parents,

Our first residential of the year has taken place this week and Year 5 have had a fabulous time at Stubbington. It was an absolute pleasure spending Monday through to Thursday morning with them and I was sorry I had to leave to come back for meetings, which were not half as much fun! Each and every child has been a credit to our school (and their parents) and it has been lovely getting to know them all.

This week in school, the children have been given tasks to do as a way of assessing performance. The children are always encouraged to just do their best and show us what they can do. In key stage two we use tests and look at their books to see how they are progressing. Gaps are then identified which the teachers then use to inform their planning. In key stage one we moderate their books to see what progress has been made over the course of the year this term. This is certainly nothing to worry about. It enables us to see what we need to do next to support learning.

Wishing you all a very happy weekend.
Mrs Jearrad

Sporting Update

I would like to thank all children who have participated in the following events:

Tag rugby – 1st place years 3 & 4

Multiskills – 2nd place years 1 & 2

Netball league games: Years 4, 5 & 6 – ‘A’ Team are still undefeated, fantastic to see their team play and skills on court. ‘B’ tea, so resilient, 2 wins, 1 draw and a loss, so proud of all the children.

Throughout both afternoons it was a pleasure to be with such fantastic children, their fair play and team spirit was visible throughout and this was noticed from other P.E staff from the local schools. Both competitions were of a high standard and the children really had to work tremendously hard to achieve their placings. Well done – Mrs White

Change4Life

Four children were invited to a training session in Basingstoke. They will now have the knowledge and skills to deliver physical activities during our playtimes and lunchtimes. The Government have recommended 30 minutes of physical activity a day so our Bronze Ambassadors and Change4Life leaders will be helping our children to achieve their goals.

Sainsbury’s School games - Gold Award – 2016/17

Four children will be attending a ceremony next week to celebrate our success.

PTA

Disco

We are hopefully going to hold a KS1 (3.30 – 4.30) & KS2 Disco (4.45 – 5.45) on Wed 28th March. We cannot however do this without the support of more DBS checked parents volunteering to help. If you are available for one or both of the sessions please come and talk to a PTA member or email me on nurslingprimarypta@gmail.com unfortunately without support we will not be able to hold this event.

Easter egg raffle

We will be selling tickets for our Easter egg raffle after school on Wednesday, Thursday and Friday next week.

World Book day

The children all looked amazing in their outfits! We had such a variety of ideas. I am sure all of the children enjoyed it and we hope it has engaged them in their reading. This week you should have received home a book token for money off the next book they purchase.
