PTA News

Exciting news!! Cauliflower cards are back again this year. Our children will have the opportunity to design a Christmas card and gift label in school on Friday 19th October. Parents/career's will be able to take the designs home with the order forms on Tuesday 30th and Wednesday 31st October. All order forms need to be returned to school by Thursday 1st November with cash or cheques made payable to: Friends of Nursling Primary School Association. Please write your child/children's name on the back of the cheque.

We need your help!

Following the wonderful donation of the bridge across the pond, we now need to clear the area to create a safe and useable space for our children. This area has fantastic potential to enrich the learning experiences of our children; however, the pond area and the allotment are both in need of some TLC. Can you, or a family member/neighbour, help us with this project? Or do you have any bulbs/seeds or gardening equipment you would be happy to donate? If so we would love to hear from you! Please contact the office if you are able to help in any way.

Our first gardening session will be on Monday 5th November from 9am. If you have any gardening tools please also bring these along with you.

Thank you,

Denize Reynolds, Clare Lewis and Vicky Dixon

With the changeable weather this week, and Autumn's arrival, please can we remind parents that children will need to bring coats to school. We like to get the children outside for break and lunch as much as possible and will only stay in if it is raining.

Thank you for your co-operation.

What is PTA? Why join PTA?

The main reason to join the Parent Teacher Association is to benefit your child. In doing so you also help your school with much needed funds, but of course there are many more advantages to becoming involved in the PTA:

1. Get connected to what is happening within the school and the upcoming events, remember as soon as your child starts school you automatically become a member of the PTA;
2. Discover great resources through other parents;
3. Watch yourself grow and make a difference to your child;
4. Speak up and have a voice;
5. Vital to the success of the school;
6. It's not just for mums
7. What the PTA does affects every parent and pupil;
8. Totally flexible;
9. Its fun;
10. Finally our children are only at school for a short period of time, PTA events such as discos, raffles, and fayres will be remembered fondly by our children for a lifetime.

Thank you all for your support.

Fundraising for School Resources

Lee Edmundson, a parent from Year 3 (Holly), is running the Great South Run (10 miles) next Sunday the 21st October and would like to donate any funds raised to support the school.

Therefore, any kind donations are welcomed and Alison will be in the playground in the mornings next week. We wish Lee good luck!
