19th March 2020

Dear Parent/Carer,

## **COVID-19 Update**

As you are aware, schools in England will be closing for most children at the end of the day tomorrow.

Thank you to everyone who has responded to the message we sent out this morning regarding key worker status. We are currently awaiting further clarification as to who will be eligible for school support during this time and what this will look like. As soon as we know, we will update you.

## **Housekeeping requests and information**

As we do not know how long we will be closed for, at this stage, it is important that all personal items are collected and taken home. This includes: PE kits, packed lunch boxes, water bottles, school bags and coats. If you are self-isolating, these can be collected by a friend for you.

All musical instruments (KS2) will need to be returned to school as these remain the property of The Mountbatten School.

Please claim anything lost from the lost property box by the end of tomorrow. The team have been through this today and returned any named items. Anything left will be given to charity.

After school clubs, scheduled trips and visitors will be postponed with the intention of being rescheduled. Once we know the longevity of the closure, we will make informed decisions and update you accordingly regarding payments.

Your child's school report will be coming home over the next two days. If you are self-isolating, you can ask a friend to collect from the school office. They will be available for collection at the end of the school day tomorrow.

The class pages on the website will have tasks and activities for you to access at home. More information on this to follow.

Communication channels remain through the school website, Twitter feed, Parent Mail, and email: [adminoffice@nursling.hants.sch.uk](mailto:adminoffice@nursling.hants.sch.uk).

Thank you for your continued support and understanding and I hope that you and your families keep well.

Kind regards

Mrs J Jearrad  
Headteacher
