

# Chestnut's visit to... Build a Bear!

(Monday 30<sup>th</sup> September 2019)

In Chestnut Class we were very lucky and made a class bear at the Build a Bear Workshop in Southampton.

We had a very busy morning! First we had an exciting coach ride and then Miss Swain made us walk all the way to Build a Bear in West Quay!

After we chose the bear, we stuffed him! He is so soft and cuddly!

We then had to choose his name.

Everyone, please meet...

Chestnut Bear!
