7th November 2018

Dear Parents,

Year 5 community Event
Children in need and City Mission.

Year 5 are holding a cake sale to support BBC Children in Need and a local charity. It will be held on Friday 16th November 2018 between 3.15pm and 3.45pm. The money that we raise will be split between the two charities.

City Mission is a charity in our area. It supports people in the community who do not have enough food, drink or clothing. They help people of any age.

Please will you help us raise money by donating biscuits or cakes by Thursday, 15th November, which we can then sell on Friday 16th November. We do have children with serious allergies to nuts in the school. Please do not send in cakes containing nuts or nut oil.

All of the children at Nursling will also be encouraged to wear something that celebrates "Do your own thing!" Maybe they could dress as a footballer if they play the game or as a dancer if they dance. All we are asking is that children make a donation to wear something that they already have at home. However, Children in Need t-shirts may also be worn.

If you have any concerns, please contact us through Mr. Booth.

Remember this is all for the Children in Need and City Mission. Every little donation helps to raise money for our community.

Yours sincerely,

Lewis, Paige and Rebecca. (Mr. P. Booth)
