

Cross Country – Monday 23rd September 2019

A huge “well done” to all the children that took part in the first cross country event of the year! The weather was miserable but the children were fantastic and braved the rain. Every child who took part was amazing and gave their all for our school. A special mention to Harrison who won the Year 5/6 boys race and Jess who came 7th in the Year 5/6 girls. Year 2 boys deserve a mention as 4 of out 5 entrants finished in the top 20 with 3 inside the top 10! Well done everyone, let’s press onto the next event!
