

Welcome to Holly Class

Year Three

We are so excited to get to know every single one of you in September! This is the first of our newsletters, which you will receive each half term. It lets you know what we are going to be learning about to help you support your child at home as well as any important news, dates or events!

We are Mrs. Payne, Miss Nicholas and Miss Tuffin.

We are looking forward to working with you throughout the year.

For the first two weeks of term the children will have an opportunity to talk about the pandemic and what it meant to each of us as a way to help them make sense of the last six months. If the children wish to bring in photos or small items that provoke their memories, they will have an opportunity to share these with the class.

As part of that work we will be making Covid 19 memory books that they will be able to keep and treasure as a part of living history.

P.E.
Our P.E. days are Wednesday and Friday.
We will let you know whether they are permitted to bring in P.E. kits or whether they need to wear trainers in September.
Thank you

Books, books, books!

We are still unsure of what the government guidance will be in terms of reading books and moving objects from school to home and vice versa. As soon as we are notified we will make sure you are informed.

Please continue to support your child reading at home with the books available to you.

Thank you for your support.
Happy Reading!

Please bear with us at the end of the day when you come to collect your child; we try our best to recognise parents!

For the foreseeable future we will not be taking part in school trips. Our first topic is 'Stone Age' and we would usually have gone to Stonehenge to support our learning. If you want to have a look online, there is currently a virtual tour available or you can do your own research about the stones.
