As House Leaders, we enjoy adding up the house points every Thursday. It is exciting because the results change every week!
 We also enjoy being responsible and encouraging other members of our house group and making them laugh!

 <p>Charles Miller Born: 1874 Died: 1953 Miller was born in Sao Paulo in Brazil but he went to school in Southampton where he became a talented sportsman playing football and cricket. Miller played football for St Mary's (now known as Southampton FC). When Miller returned to Brazil, he took a football and the rulebook with him. He became known for introducing the game of football to Brazil.</p>	 <p>Suzie Templeton Born: 1967 Raised in Highfield, Southampton and inspired by Wallace & Gromit to sculpture models and puppets for stop motion animation, Suzie became a writer, director and animator. Her film 'Peter and the Wolf' won several awards including the Academy Award for the best animation short film in 2008.</p>	 <p>Isaac Watts Born: 1674 Died: 1748 Watts was born in Southampton and educated at King Edwards VI School. He was a Christian Minister and hymn writer; credited with 750 hymns including 'When I Survey the Wondrous Cross', 'Joy to the World' and 'Our God, Our Help in Ages Past'. Watts was known for being the 'Godfather of English Hymnody'. There is a statue of him in Watts Park, Southampton.</p>	 <p>Reginald Joseph Mitchell Born: 1895 Died: 1937 Mitchell became chief engineer and technical director at the 'Supermarine Aviation Works' in Southampton. He designed 24 aircraft including: supermarine seaplanes, light aircraft, fighters and bombers. Mitchell was awarded a CBE in 1931. Mitchell was known for playing a vital role in the development of the Spitfire. The first prototype flown in 1936 in Eastleigh.</p>
