

JRSO February update

The JRSO team have been promoting Seatbelt Safety and Air Pollution this month

The team arranged and delivered a whole school assembly on Travel Safety and displayed information on the JRSO notice board

We had a visit from Amy and Strider who came into school to launch our WoW campaign.

We hope lots of you will support this and earn your WoW badges!

Throughout March and April we will be looking at Air pollution, Sustainable travel and promoting Safe and considerate parking near the school gates

We are always happy to receive ideas and suggestions.

Working together for safe and active travel.
