

# March update

Every Wednesday throughout March the JRSO Team took part in very successful parking patrols.

Thank you to all the parents and carers who used the park and stride!

The Local Residents have said " This is a fantastic initiative and would be wonderful if parents and carers could continue the considerate parking without having to have a parking patrol".

Cyril Squirrel and the children really enjoyed this event and we will continue to monitor the traffic at drop off and collection times.

We took part in the Big Pedal Event that ran from the 25<sup>th</sup>-29<sup>th</sup> March

The children supported a fundraising event for Sustrans, the charity that promote The Big Pedal Event each year. This was the first year that walking was also included.

Thank you to everyone who got into the spirit of Superhero day to raise money for Sustrans, It was great to see so many mini heroes at school developing their superpower!

Before school our dedicated JRSO supporters also took part in a Superhero Walking Bus. At the end of celebration assembly the whole school took part in a superhero dance-even the parents joined in! Nursling C of E Primary School have raised an amazing £110.20 for Sustrans! Thank you everyone!

We also ran a competition to design your dream cycle helmet, we had some wonderful designs and it was extremely tricky to choose the best design. We asked Mrs Jearrad to choose the helmet she liked most. We wanted Mrs Jearrad to choose because she did not have any idea which children had designed which helmet. Mrs Jearrad found it very hard to pick a winning design as there were so many fabulous entries! Mrs Jearrad said she was looking for careful colouring and a clear message why we need a helmet. A huge well done for all the wonderful entries. Our winner is Sienna in Year 3! Look out for our Ideal Walking Shoes competition coming soon!

# Upcoming events to look out for

## NATIONAL WALK TO SCHOOL WEEK

Living Streets, have created the greatest national Walk to School celebration where pupils and grown-ups around the UK unite for one week of walking to school.

Each year they develop a new five-day walking challenge aimed at primary schools - the perfect activity to take part in during Walk to School Week.

This year, to celebrate the **90th anniversary**, the challenge will get to the heart of walking and how it can benefit the whole community as well as improve individual wellbeing.

We will continue the WOW campaign throughout the school year. We can already see an improvement on the number children walking, scooting and cycling.

Remember, to earn a WOW badge you only have to use active travel once a week!

If you have any ideas or would like to support the JRSO Team please speak to the school office who will pass on any information.

Working together for safe and active travel
