

May update

This month the JRSO Team have continued the Active Travel Theme.

We have taken part in the Living Streets Walk to School Week.

The Team promoted another competition for the Active Travel display and pupils were asked to design shoes!

This was another tricky competition for Mrs Jearrad to judge as we had so many fabulous designs!

Thank you to everyone who entered our latest competition, we had lots of really colourful and creative entries. Mrs Jearrad said that the choice was incredibly hard as there was so many really lovely shoes.

The winners were Jaiden from Year R and Sophie from Year 6. Mrs Jearrad chose these designs because the glittery shoes were really unique and the boots she could wear with any coloured outfit!

Well done everyone!

Nursling had a visit from Strider who came along to promote 'Walk To School Week'. The children were really excited to meet Strider again!

Thank you to everybody that supported Walk to School week. It was fantastic to see so many children and adults cycling, scooting walking, using park and stride and joining the Walking Bus!

Our next Active Travel Event will be June 2019 when we will be taking part in National Clean Air Day and it is the launch of the Scooter Challenge

It would be great see another fantastic effort!

Thank You for the continued support and remember to share any ideas for Active Travel with any member of staff who will be happy to pass the information on to the team.

Working together for Safe and Active Travel.
