Goodbye & Good luck!

I have to say I am absolutely delighted to have had the pleasure of working with (almost) every member of the White family since I started here at Nursling and what a pleasure it has been! It was lovely to catch up with Mr White at the staff Christmas do last weekend and I thought you would like to know he is thoroughly enjoying his 'grown-up job' with the ability to go out to lunch during the working day!

Now that Miss White and Mrs White are moving on, it goes without saying that we are going to miss their laughter and energy around the school. In true Nursling style, they had a send off yesterday ... being made to have a dance off in front of the whole school before being presented with cards and gifts from us all.

I honestly believe that this is not the last that Nursling will be seeing of this family and they will always be welcome to visit the school, which I know they hold so dearly in their hearts.

Please read their following statements below.

Mrs Jearrad

Farewell from Mrs White

I would like to thank you for all your support over many years, without parents being so supportive the school would not be able to be involved in so many fantastic opportunities for our children.

What a journey I have been on. I started as a novice covering P.E. and grew into the person I always dreamt of being. This could never have been achieved without the kind support of all the Head teachers over many years.

I have reached a part in my career where I feel I need to develop my skills in other fields, i.e. mentoring and seeing how the role of a S.G.O works in and around our area.

As with all staff the gate is always open, no doubt I will be given the opportunity to come back and assist with events.

Mrs White

Goodbye from Miss White

I would like to say a huge thank you to all the parents and the children for making my time at Nursling so incredible. I am still shocked at how much the children have progressed in their P.E lessons. The children put so much effort into their Gymnastic and Dance lessons.

Unfortunately, I have to move on due to gaining a full time contract with PBED. It is with regret to leave such an incredible school, not only the pupils but the staff too. I am sure I will come back in the near future with my new job to help at sporting events.

Miss White

Christmas fun at
Nursling Primary
School!
