

Pirate Day!

On Thursday we had a very busy day learning to be Pirates!

Our first job was to learn how to talk like a pirate, and every time someone came in, we had to shout "Ahoy me hearties!"

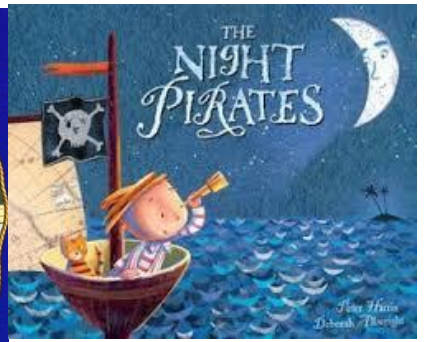

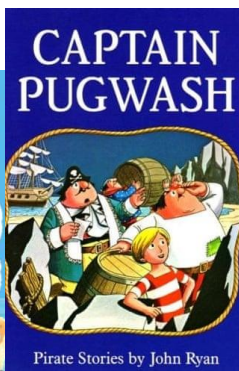

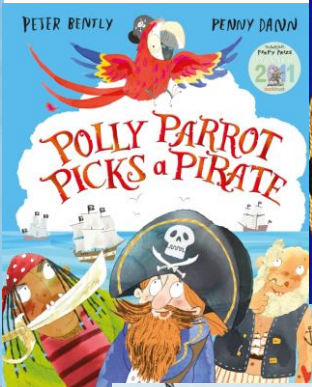

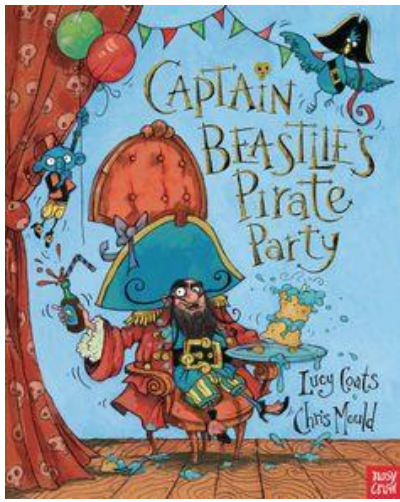

Next we used a secret pirate code to write letters to Peter Pan. We can only show you a little bit!

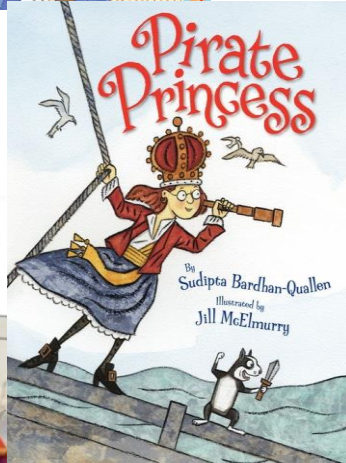

Then we had to walk the plank and work as teams to grab the hidden treasure!

We read lots of pirate stories, and following lunch, we made parrots - the perfect pirate companion!

Captain Dodd said we could have some snacks. She offered us:

- rats' droppings (raisins),
- canon balls (maltesers),
- precious jewels (grapes),
- dead men's fingers (sausages)
- sea biscuits with worms in (choc chip digestives).

Washed down with sea water.
Yum!
