

Welcome to Sycamore Class

Year 4

We are looking forward to getting to know you in September!

This is the first of our newsletters, which you will receive each half term. It lets you know what we are going to be learning about to help you support your child at home as well as any important news, dates or events!

We are Mr. Booth and Mrs. Humphries.

Your child has been asked to collect some photos and other memorabilia from their experience of lockdown. For the first two weeks of term the children will have an opportunity to talk about the pandemic and what it meant to each of us as a way to help them make sense of the last six months.

As part of that work we will be making Covid 19 diaries that they will be able to keep and treasure as a part of living history.

P.E.

Our P.E. days are Wednesday and Friday.

We will let you know whether they are permitted to bring in P.E. kits or whether they need to wear trainers in September.

Books, books, books!

We are still unsure of what the government guidance will be in terms of reading books and moving objects from school to home and vice versa. As soon as we are notified we will make sure you are informed.

Please continue to support your child reading at home with the books available

There are a number of great website links on our website under class five for the children to explore over the year.

We recommend that you have a look!

For the foreseeable future we will not be taking part in school trips.

However, our first topic is based around the book Everest: The contest. if your child wants to do any research about mountains, climbing or weather forecasting that would be brilliant!

We are looking forward to working with you and your child next year.
