

# Thankfulness

We started this half term with a Family Group assembly; thinking about all the things we are thankful for.

We spoke about being thankful to God. We read the story of the 10 Lepers and discussed the disappointment that only one of them thanked God for their healing.

The children came up with long lists in their groups, discussing the things we are thankful for that we all take for granted. We realised we are very fortunate to have lots of things and that many children (all around the world) do not necessarily have themselves. We wrote our ideas on rocks which we hope will end up in our spiritual space.

Dear Lord

We thank you for all you have given to us to make us thankful.

Thank you for family, friends, teachers and people who care for us.

Thank you for the homes we live in, the food we eat and the water we drink.

Thank you for giving us good health and strength.

Thank you for your unconditional, undying love.

Thank you for giving me strength through the tough times and hear my thanks for when things are going right.

Lord, hear my prayer,

Amen
