Dear Parents

Year 4 Supply Cover

I am writing in response to a couple of queries I have had this week, taking on board and responding to a few comments from parents.

Mr Arthur, in his role as Maths Lead, is attending training to help to raise standards in Maths across the whole school. When Mr Arthur is absent we have arranged for Sycamore Class to be taught by the same supply teacher. This is to enable her to build relationships with the children, get to know the class and work alongside Mr Arthur. It also ensures that the Class have consistency in the quality of teaching and learning and clear behaviour expectations.

I have addressed all thoughts and issues raised with me this week. We appreciate your support during this period. If you would like to discuss this matter further with me please contact the Office to make an appointment..

Yours sincerely0
